Remarks

This Amendment is in response to the Advisory Action dated **August 16, 2007** in which it was stated that the Amendment After Final filed July 23, 2007 would not be entered but that claims 1, 8, 9, 11, 27 and 28 would be allowable if the amendments to claims 1, 8, 9 and 11 were submitted in a separate, timely filed, amendment cancelling the non-allowable claims. Those amendments are submitted herein.

The Advisory Action indicates that claims 25, 29 and 30 are stated to be non-allowable. For the record, Applicant does not agree with the argumentation given in the Advisory Action that the subject matter considered to be non-allowable lacks written description support. However, in the interest of advancing prosecution, claims 25, 29 and 30 have been cancelled without acquiescing with the reasoning given for non-allowance. Applicant reserves the right to pursue the subject matter of cancelled claims in appropriate continuation, continuation-in-part or divisional applications and to present arguments detailing the basis for disagreement at that time.

The requirements of the Advisory Action having been complied with, the application is in condition for allowance. Early and favorable Action thereon is earnestly requested

Respectfully submitted,
VIDAS, ARRETT & STEINKRAUS
